

## HERE WE HAVE CHOSEN TO DO OUR PART TO BUILD A BETTER FUTURE FOR ALL

For our business we use 100% certified clean energy, produced by renewable sources without atmospheric CO2 emissions and without the consumption of natural resources.

Not all energy is the same; we have made a good choice  
for the planet and the future of the next generations.

## GINO GIROLOMONI COOPERATIVA AGRICOLA IN 2022 REDUCED 861.3234 TONS OF CO2

Thanks to a supply of Dolomiti Energia 100% Clean Energy.

March	311646	87.5725
April	286260	80.4391
May	267747	75.2369
June	273265	76.7875
July	301560	84.7384
August	70896	19.9218
September	296803	83.4016
October	215585	60.5794
November	252846	71.0497
December	219081	61.5618
<b>Total</b>		<b>861.3234</b>

### CLEAN ENERGY TO CHANGE THE WORLD, THANKS TO THE FORCE OF NATURE

The Dolomiti Energia 100% Clean Energy brand ensures that electricity of Dolomiti Energia is certified by the Gestore dei Servizi Energetici with Guarantees of Origin (GO), which traces and certifies its Italian origin and renewable origin.
